

SaviBank is safe and sound.

A Message from Mike Cann, Chairman, SaviBank

In light of recent events surrounding the failure of Silicon Valley Bank, some folks have expressed concern over the security of their deposits in banks. SaviBank continues to operate in a safe and sound manner, to be well-capitalized with strong liquidity, and to meet the banking needs of our communities. We have historically provided our customers with exceptional service and financial security during the ups and downs of the economy and will continue to do so.

Simply put, SaviBank is a well-managed, conservative institution in a strong financial position to provide a safe and secure place for your deposits. Thank you for your continuing support and faith in us – we take that very seriously and will continue to do our best to make a positive difference in the lives of our customers. Please don't hesitate to reach out to any of our staff with your questions or concerns.

Thank you.
